Thank you for requesting your VMWare license key.

The key should be with you in a few moments.

Please download your very own copy in the MyVMware portal, if it's your first time in the platform you need to create an account, this will give you access to not only this software but to many other products for evaluation and study.

As soon as you activate the product you'll have 60 days of evaluation, please add the license that we will provide you in a few minutes and fully license the software for an additional year

If you do not receive your email within 30 minutes please check your spam folder, if you still do not see it please contact your Institutional/Academic Admin for further support as this email address is not monitored.
